Includes an MP3 CD with 80 minutes of recorded dialogues and certain exercises. The audio trucks can also be accessed on YouTube, Apple Music, Spotify, Deezer and other selected platforms. Assimil is the first self-study language specialist to base its course content on the skills described in the Common European Framework of Reference for Languages. The grammar and vocabulary contents have been carefully graduated to help learners reach the A2, or "Survival ", level of the CEFRL. The recordings are available free of charge on most streaming platforms and on YouTube. The contents of the MP3 CD can easily be transferred to your phone or portable media player. This book examines commercial and personal connections in the early modern book trade in Paris and northwestern France, ca. 1450–1550. The book market, commercial trade, and geo-political ties connected the towns of Paris, Caen, Angers, Rennes, and Nantes, making this a fertile area for the transference of different fields of knowledge via book culture. Diane Booton investigates various aspects of book production (typography and illustration), market (publishers and booksellers), and ownership (buyers and annotators) and describes commercial and

intellectual dissemination via established pathways, drawing on primary and archival sources. French for Beginners 2nd Edition; The Best Handbook for Learning to Speak French! French is considered as one of the languages that is widely learned all over the world. There is a high likelihood that you are already familiar with some French phrases and words. Because of the French invasion in England during the eleventh century, the French language has given significant contributions to the English vocabulary. This means that even if you are not actively learning French but is adept in English, you are already using a lot of French words without you knowing. Because of hundreds of years of interaction with the British and because of common ancient forefathers, French has offered English-speakers a fairly easy path to conversing using a different language. French and English share several similarities in sentence construction. You may even realize that a lot of French and English words have similar sounds. The limited French sounds may still be familiar to you because of movies and TV shows. Some of these unique French sounds include the silent "h" and the gruff "r" sound; but this does not completely mean that everything you watch and hear on TV is totally accurate. Still, being able to adopt the French accent you have acquired from watching movies can help you a lot while learning the language. Even if French is remotely related to the English language, it is more generally compared to other Romance languages such as Spanish and Italian. All these three languages were created from the Latin language used by the Romans during their invasions in 1 B.C.; but despite their common origin, the evolution of the French language is different from the evolution of Italian and Spanish (which still share a lot of similarities even up to today). Currently, there are around thirty countries who name French as one of their official languages. In Canada, French is commonly used in the Quebec region only. While in Belgium, French is used in the Southern area only. The spread of the French language can be partly explained by the colonization of several nations in the Pacific, Africa and the Caribbean by France. On top of that, the French language was actually used as the official language for international diplomacy until the initial years of the twentieth century when the English language took over. Here Is A Preview Of What Is Inside... The French Language Pronunciation Tools for Building Phrases Basic Vocabulary Words and Phrases Socializing in French Much, much more! Purchase your copy today! In this entertaining and groundbreaking book, Dr. Paul Pimsleur, creator of the renowned Pimsleur Method, the world leader in audio-based language learning, shows how anyone can learn to speak a foreign language. If learning a language in high school left you bruised, with a sense that there was no way you can learn another language, How to Learn a Foreign Language will restore your sense of hope. In simple, straightforward terms, Dr. Pimsleur will help you learn grammar (seamlessly), vocabulary, and how to practice pronunciation (and come out sounding like a native). The key is the simplicity and directness of Pimsleur's approach to a daunting subject, breaking it down piece by piece, demystifying the process along the way. Dr. Pimsleur draws on his own language learning trials and tribulations offering practical advice for overcoming the obstacles so many of us face. Originally published in 1980, How to Learn a Foreign Language is now available on the 50th anniversary of Dr. Pimsleur's publication of the first of his first audio courses that embodied the concepts and methods found here. It's a fascinating glimpse into the inner workings of the mind of this amazing pioneer of language learning. Fun exercises to help you learn français! Bonjour, mon ami! Grab your copy now and become bilingual in French! Anyone can cook in the French manner anywhere, wrote Mesdames Beck, Bertholle, and Child, with the right instruction. And here is the book that, for forty years, has been teaching Americans how.Mastering the Art of French Cooking is for both seasoned cooks and beginners who love good food and long to reproduce at home the savory delights of the classic cuisine, from the historic Gallic masterpieces to the seemingly artless perfection of a dish of spring-green peas. This beautiful book, with more than one hundred instructive illustrations, is revolutionary in its approach because: It leads the cook infallibly from the buying and handling of raw ingredients, through each essential step of a recipe, to the final creation of a delicate confection. It breaks down the classic cuisine into a logical sequence of themes and variations rather than presenting an endless and diffuse catalogue of recipes; the focus is on key recipes that form the backbone of French cookery and lend themselves to an infinite number of elaborations bound to increase anyone's culinary repertoire. Complete French is a comprehensive language course that takes you from beginner to intermediate level. This ebook just features text. An ebook + audio edition is also available with the ISBN 9781444154719. Question is... Is your desire to learn the language strong enough to get you to do the only thing that separates you from the knowledge? If it is, Scroll up and click Buy Now With 1-Click or Buy Now to get started! It's true that some people spend years studying French before they finally get around to speaking the language. But here's a better idea. Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of French, #LanguageHacking shows you how to learn and speak French through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the language hacks -shortcuts that make learning simple - that Benny mastered while learning his 11 languages and his 'speak from the start' method, you will crack the language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only "other people" can do. It's about being smart with how you learn, learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in French from day one. The Method #LanguageHacking takes a modern approach to language learning, blending the power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away, rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a speaking 'mission' that prepares you to use the language you've learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking 'missions' with other learners - getting and giving feedback and extending your learning beyond the pages of the book . You don't need to go abroad to learn a language any more. Do you want to let go of your difficulties to learn French? Have you tried learning French through boring textbooks...but nothing seems to stick for more than a few weeks? Do you finally want to say goodbye to forgetfulness and discover something which works for you? If so, then you've come to the right place. The books in this delightful series make learning a new vocabulary fun and easy by combining it with coloring pictures--something that virtually every young child loves to do. While they color, kids learn eighty everyday words, such as the names of the seasons, various animals, parts of the body, articles of clothing, and more. The coloring books contain: 59 full-page illustrations, alphabetically organized Culturally appropriate subjects, such as labandera, showing the flags of Spain and Mexico or l'immeuble, showing a typical Parisian apartment building. A glossary featuring translations and a pronunciation guide A review puzzle to test how much has been learned The books in the Let's Learn Coloring Book series are a great resource for parents, teachers, and care-givers who want to foster a love of language in children, and a valuable tool for reinforcing at home the language study kids get in school. Including many helpful exercises, self-tests, and an English to French dictionary, The Everything Learning French Book (Enhanced Edition) will have you speaking and understanding French in no time. A complete course for succeeding in learning French. Sure, you can blurt out Merci! and Oui! Oui! and Garçon! as well as the next tourist, but in truth your French lacks a certain je ne sais quoi. That just won't do if you're touring the City of Light or sunning in Tahiti or ordering a la carte in a Montreal cafe. Whether you're traveling to a French-speaking country or learning French for business, this pocket-sized primer is your passeport to one of the world's most beautiful - and useful - languages. Learn French in a Hurry features: Common French phrases (days of the week, numbers, letters) Pronunciation and conjugation tips and tricks Grammar made easy Useful words and terms Helpful French-English and English-French dictionaries With Learn French in a Hurry, you'll master le francais right away! “A delightful and courageous tale and a romping good read. Voila!” —Mark Greenside, author of I'll Never Be French (No Matter What I Do) William Alexander is more than a Francophile. He wants to be French. There's one small obstacle though: he doesn't speak la langue française. In Flirting with French, Alexander sets out to conquer the language he loves. But will it love him back? Alexander eats, breathes, and sleeps French (even conjugating in his dreams). He travels to France, where mistranslations send him bicycling off in all sorts of wrong directions, and he nearly drowns in an immersion class in Provence, where, faced with the riddle of masculine breasts, feminine beards, and a turkey cutlet of uncertain gender, he starts to wonder whether he should've taken up golf instead of French. While playing hooky from grammar lessons and memory techniques, Alexander reports on the riotous workings of the Académie française, the four-hundred-year-old institution charged with keeping the language pure; explores the science of human communication, learning why it's harder for fifty-year-olds to learn a second language than it is for five-year-olds; and, frustrated with his progress, explores an IBM research lab, where he trades barbs with a futuristic hand-held translator. Does he succeed in becoming fluent? Readers will be as surprised as Alexander is to discover that, in a fascinating twist, studying French may have had a far greater impact on his life than actually learning to speak it ever would. “A blend of passion and neuroscience, this literary love affair offers surprise insights into the human brain and the benefits of learning a second language. Reading William Alexander's book is akin to having an MRI of the soul.” —Laura Shaine Cunningham, author of Sleeping Arrangements “Alexander proves that learning a new language is an adventure of its own--with all the unexpected obstacles, surprising breakthroughs and moments of sublime pleasure traveling brings.” —Julie Barlow, author of Sixty Million Frenchmen Can't Be Wrong Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, Fluent In 3 Months. Lewis is a full-time "language hacker," someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language gene" to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children. Do you want to learn French the fast, fun and easy way? And do you want to master daily conversations and speak like a native? Then this is the book for you. Learn French: Must-Know French Slang Words & Phrases by FrenchPod101 is designed for Beginner-level learners. You learn the top 100 must-know slang words and phrases that are used in everyday speech. With easy-to-follow instructions and simple explanations, this portable guide covers the most important basics. The Way of The Linguist, A language learning odyssey. It is now a cliché that the world is a smaller place. We think nothing of jumping on a plane to travel to another country or continent. The most exotic locations are now destinations for mass tourism. Small business people are dealing across frontiers and language barriers like never before. The Internet brings different languages and cultures to our finger-tips. English, the hybrid language of an island at the western extremity of Europe seems to have an unrivalled position as an international medium of communication. But historically periods of cultural and economic domination have never lasted forever. Do we not lose something by relying on the wide spread use of English rather than discovering other languages and cultures? As citizens of this shrunken world, would we not be better off if we were able to speak a few languages other than our own? The answer is obviously yes. Certainly Steve Kaufmann thinks so, and in his busy life as a diplomat and businessman he managed to learn to speak nine languages fluently and observe first hand some of the dominant cultures of Europe and Asia. Why do not more people do the same? In his book The Way of The Linguist, A language learning odyssey, Steve offers some answers. Steve feels anyone can learn a language if they want to. He points out some of the obstacles that hold people back. Drawing on his adventures in Europe and Asia, as a student and businessman, he describes the rewards that come from knowing languages. He relates his evolution as a language learner, abroad and back in his native Canada and explains the kind of attitude that will enable others to achieve second language fluency. Many people have taken on the challenge of language learning but have been frustrated by their lack of success. This book offers detailed advice on the kind of study practices that will achieve language breakthroughs. Steve has developed a language learning system available online at: [www.thelinguist.com](http://www.thelinguist.com). Tough Test Questions? Missed Lectures? Not Enough Time? Fortunately, there's Schaum's. More than 40 million students have trusted Schaum's to help them succeed in the classroom and on exams. Schaum's is the key to faster learning and higher grades in every subject. Each Outline presents all the essential course information in an easy-to-follow, topic-by-topic format. You also get hundreds of examples, solved problems, and practice exercises to test your skills. This Schaum's Outline gives you: •Hundreds of practice problems with step-by-step solutions to reinforce

knowledge•New appendix on punctuation•Support for all major textbooks for courses in French Grammar•Access to revised Schaums.com website with access to over 100 online audio recordings and more. Schaum's reinforces the main concepts required in your course and offers hundreds of practice questions to help you succeed. Use Schaum's to shorten your study time-and get your best test scores! Schaum's Outlines – Problem solved. Your comprehensive guide to speaking, reading, and writing in French French is a beautiful language but can be quite difficult to learn. Whether you need to learn the language for a French class, or for business or leisure travel, French for Dummies All-In-One makes it easier. With nearly 800 pages, French All-in-One For Dummies is for those readers looking for a comprehensive guide to help them immerse themselves in the French language. Culls vital information from several Dummies titles, offering you a comprehensive, all-encompassing guide to speaking and using French Includes French Canadian content and enhanced practiced opportunities Its accompanying audio CD provides you with an effective tool to start speaking French right away Both new students of French and experienced speakers can benefit from the wealth of information that has been included in French All-in-One For Dummies. CD-ROM/DVD and other supplementary materials are not included as part of the e-book file, but are available for download after purchase. Salut ! Hello! Do you understand this first French word? Yes, you do! Why? Because it was presented to you using a new technique that is making learning languages easier than ever – the Bilingual Reading. We created this book using this technique so that you can learn French language in a fast and fun way and whenever you want. How does this work? It is simple: Bilingual Reading works by reading two versions of the same book or text at once. One version will be on the language you want to learn (in this case we will help you to learn French fast ) and the other version will be in your native language or some other language you are comfortable with – here we will use English. Using this method, you will quickly start to learn French from basics and learn French easy by accumulating vocabulary. Learn French by reading will soon allow you to read texts that are more complex without having to spend hours and hours looking for every word meaning on a dictionary and trying hard to memorize it, so you will learn French quickly! In order to make it easier for you to learn French step by step, we made this book to learn French with stories for beginners. It includes 12 French short stories for beginners in a learn French eBook written using straightforward grammar to facilitate the work of all that want to learn French the fast and fun way. This simple stories makes this learn french book a great tool to learn French for beginners of all ages. it can be used to help learn French for kids or for learn french toddlers, adults, everyone interested in learn French language. Using French English parallel text, this book will increase your bilingual reading comprehension skills and maximize the time you invest in reading. The book is organized as a French learning book: you can start by reading each paragraph of each story in the two languages (in French English parallel text), then move to read the full story in each language, rereading to consolidate the French fundamentals whenever is necessary. This way you will feel the progress of French language learning when moving from story to story and see your French vocabulary grow as your bilingual reading comprehension increases - allows you to learn French easily and more than that, you can learn French in a fast and fun way. You can even dedicate it a few moments every day so you can even learn French in 10 minutes a day if you want! Learning French from Spanish and Spanish from French provides adult English speakers who have learned either Spanish or French as a second language with the tools to learn the other as a third language. Research in the growing fields of third-language acquisition and multilingualism documents how successful language learners intuitively build on their existing knowledge as they learn a new language. In this vein, Learning French from Spanish and Spanish from French takes advantage of the fact that learners with intermediate proficiency in a second language are used to thinking consciously about language, know themselves as language learners, and can capitalize on what they know about one language to understand the other. With chapters conveniently organized by grammatical concept and including supplementary resources such as exercises, parallel reading texts, and audio files, this book will benefit students, travelers, and budding multilinguals alike. Ready To Learn The French Language quickly and in a practical way? There's just something about French that is just utterly sexy. Even if you are just discussing how bad the weather is or just describing the peculiarities of a wooden spoon, saying it in French somehow transforms the mundane into the ethereal. Maybe it's the passage of air through the nose when pronouncing "Champs Elysées" or the sophisticated accent when ordering "un croissant, s'il vous plaît", but saying things in French can be a rather magical experience. Why learn French? You may have your own personal reasons for learning this lovely but also complicated language, maybe you're going for an exchange student program, for a trip to Paris, or to be able to understand a French movie. There will be a lot of other reasons for you to learn French. This book will help you to your journey in French. Don't rush through the book. You can start with a lesson a day and then use and practice what you learned immediately. Don't wait until you get to France to actually start speaking French. Once you get through each lesson, get a friend or just about anybody you can practice French with and start gabbing away. The point of language is that it should be used, not just learned.
