Riley Sager's brand new mind-bending thriller novel is out July 2022! Pre-order THE HOUSE ACROSS THE LAKE now! \*\*\*THE NEW YORK TIMES BESTSELLER\*\*\* 'One of the most addictive thrillers I've read this year. A compulsive page-turner with high stakes and a heroine you find yourself absolutely rooting for' Gytha Lodge Charlie Jordan is being driven across the country by a serial killer. Maybe. Behind the wheel is Josh Baxter, a stranger Charlie met by the college ride share board, who also has a good reason for leaving university in the middle of term. On the road they share their stories, carefully avoiding the subject dominating the news - the Campus Killer, who's tied up and stabbed three students in the span of a year, has just struck again. Travelling the lengthy journey between university and their final destination, Charlie begins to notice discrepancies in Josh's story. As she begins to plan her escape from the man she is becoming certain is the killer, she starts to suspect that Josh knows exactly what she's thinking. Meaning that she could very well end up as his next victim. A game of cat and mouse is about to play out. In order to win, Charlie must do only one thing . . . survive the night. \*\*\*\*\* Praise for Riley Sager 'Dark, frightening and twisty story that you won't be able to put down' Shari Lapena on Home Before Dark 'Clever, twisty, and altogether spine-chilling. . . [A] deliciously terrifying story' Ruth Ware on Home Before Dark 'Great . . . If you liked Gone Girl, you'll like this' Stephen King on Final Girls "A delicious, dark, adrenaline rush of a book. I'm already dying to see Charlie Hall's next con." - New York Times bestselling author, Alix E. Harrow #1 New York Times bestselling author Holly Black makes her stunning adult debut with Book of Night, a modern dark fantasy of betrayals, secret societies, and a dissolute thief of shadows, in the vein of Neil Gaiman and Erin Morgenstern. Charlie Hall has never found a lock she couldn't pick, a book she couldn't steal, or a bad decision she wouldn't make. She's spent half her life working for gloamists, magicians who manipulate shadows to peer into locked rooms, strangle people in their beds, or worse. Gloamists guard their secrets greedily, creating an underground economy of grimoires. And to rob their fellow magicians, they need Charlie Hall. Now, she's trying to distance herself from past mistakes, but getting out isn't easy. Bartending at a dive, she's still entirely too close to the corrupt underbelly of the Berkshires. Not to mention that her sister Posey is desperate for magic, and that Charlie's shadowless, and possibly soulless, boyfriend has been hiding things from her. When a terrible figure from her past returns, Charlie descends into a maelstrom of murder and lies. Determined to survive, she's up against a cast of doppelgangers, mercurial billionaires, gloamists, and the people she loves best in the world—all trying to steal a secret that will give them vast and terrible power. In the mists of time, Lilith sealed her immortal lover away. Awakened, Samael has only one plan: revenge. Linked to Samael and caught in the middle, Katelina watched as Lilith took both her best friend Sarah and a child vampire hostage. Now, it's up to her and Jorick to get them back. Joined by a group more foe than friend, they search for the ancient vampiress, never dreaming the fight will come to them. A horrific attack leaves Katelina's hometown in ruins. Sightings say Sarah may have escaped, but with her mother in a coma, should Katelina go? Or should she stay? Will more destruction follow when Samael catches Lilith's scent? The final installment of the Amaranthine series raises the stakes. No longer the weak, terrified woman she was, Katelina will have to step up or lose everything she's ever cared about. When electric light innovator Thomas Edison sues his only remaining rival for patent infringement, George Westinghouse hires untested Columbia Law School graduate Paul Ravath for a case fraught with lies, betrayals, and deception. "What to read after A Court of Thorns and Roses! Full of twists you'll never see coming!" –UppercaseYA I've never been a stranger to the darkness. But when darkness comes knocking and looks that good, who wouldn't invite him in? Draven is mysterious, evasive, and hot as sin. The only thing more infuriating than his silence is how obnoxious he is every time he does open his mouth. But when a group of strangers attacks me and he fights back—causing them to vanish into a cloud of black dust—I know Draven is more than he seems. Now I know the truth. There's a veil separating the world I know from a world of demons living all around us. Turns out, good and evil are just words. Some of the demons don't fall into either category. And I'm realizing just how easily I fit in among the ancient warlocks, the divine soldiers, and the twisted supernaturals... There's so much more to me and my past that I don't know—let alone what I am truly capable of. So when all signs point to me having the ability to unleash Hell on earth? I'll have to decide if I want to do the world a solid and save it...or give it one hell of a makeover. The Ember of Night series is best enjoyed in order. Reading Order: Book #1 Ember of Night Book #2 Shadow of Light Book #3 Spark of Ash On most days, the wilderness gave me peace. But not tonight. In a land sculpted by glaciers, the forest is on fire. Thick smoke chokes the mountain air and casts an apocalyptic glow over the imposing peaks and vistas of Montana's Glacier National Park. When firefighters are called in to dig firebreaks near the small town bordering the park, a crew member is shocked to unearth a shallow grave containing human remains. Park Police Officer Monty Harris is summoned to the site to conduct an excavation. But with an incendiary monster threatening to consume the town, Monty seeks help from Gretchen Larson, the county's lead crime scene investigator. While the two work frantically to determine the true identity of the victim, a teenager suddenly disappears from one of the campgrounds in Glacier. Could the cases somehow be connected? As chances for recovery of the missing boy grow slimmer and the FBI finds only dead ends, Gretchen and Monty desperately race to fit all the pieces together while battling time, the elements, and their own unresolved inner conflicts. The Weight of Night is the latest novel in an award-winning series which "paints a moving picture of complex, flawed people fighting to make their way in a wilderness where little is black or white" (Publishers Weekly). It is a gripping tribute to the power of redemption set against one of America's most majestic and unforgiving landscapes. "My love, speak to me. Tell me everything." Neferet went to Kalona, kneeling before him, stroking the soft, dark wings that unfurled loosely around the immortal. "What would you have me say?" He didn't meet her eyes. "Zoey lives." Neferet's voice was flat, cold, lifeless. "She does." "Then you owe me the subservience of your immortal soul." She started to walk away from him. "Where are you going? What will happen next?" "It is quite simple. I will ensure Zoey is drawn back to Oklahoma. There, on my own terms, I will complete the task you failed." Exonerated by the Vampyre High Council and returned to her position of High Priestess at Tulsa's House of Night, Neferet has sworn vengeance on Zoey. Dominion over Kalona is only one of the weapons she plans to use against Z. But Zoey has found sanctuary on the Isle of Skye and is being groomed by Queen Sgiach to take over for her there. Being Queen would be cool, wouldn't it? Why should she return to Tulsa? After losing her human consort, Heath, she will never be the same – and her relationship with her super-hot-warrior, Stark, may never be the same either... And what about Stevie Rae and Rephaim? The Raven Mocker refuses to be used against Stevie Rae, but what choice does he have when no one in the entire world, including Zoey, would be okay with their relationship? Does he betray his father or his heart? In the pulse-pounding 8th book in the bestselling House of Night series, how far will the bonds of friendship stretch and how strong are the ties that bind one girl's heart? A science fiction take on The Duchess of Malfi. The diabolical machinelike

Erinyes have taken over the solar system and destroyed or assimilated what is left of humanity. One woman, Lady Julia Amalfi, escapes in a starship loaded with genetic material from Earth and, with a young artificial intelligence named Cary, settles frontier planet Midgard. Now factions have arisen, and the brutal totalitarian Rigorists and the stubborn individualist rebels are squaring off for war just as Julia discovers that the Erinyes may be on their way to Midgard. With survival on the line, the Midgardians must pull out all stops to save for humanity. If not, night will fall on the last human settlement, and our species's chapter in history may well be over forever. Publishers Weekly "Genuinely harrowing and impassioned, with wonderful characters and an unforgettable theme." Kirkus "Sharp and seductive... a fantasy with teeth." —Julie C. Dao, author of *Forest of a Thousand Lanterns* A girl of two worlds, accepted by none... A half Reaper, half Shinigami soul collector seeks her destiny in this haunting and compulsively readable dark fantasy duology set in 1890s Japan. Death is her destiny. Half British Reaper, half Japanese Shinigami, Ren Scarborough has been collecting souls in the London streets for centuries. Expected to obey the harsh hierarchy of the Reapers who despise her, Ren conceals her emotions and avoids her tormentors as best she can. When her failure to control her Shinigami abilities drives Ren out of London, she flees to Japan to seek the acceptance she's never gotten from her fellow Reapers. Accompanied by her younger brother, the only being on earth to care for her, Ren enters the Japanese underworld to serve the Goddess of Death... only to learn that here, too, she must prove herself worthy. Determined to earn respect, Ren accepts an impossible task—find and eliminate three dangerous Yokai demons—and learns how far she'll go to claim her place at Death's side. Don't miss the must-read sequel coming in 2022! Here is the wonderful new version of the classic poem every family should own. This edition of *The Night Before Christmas* lavishly illustrated by renowned artist Charles Santore, the critically-acclaimed illustrator of *The Wizard of Oz*, *Snow White*, *The Little Mermaid*, and others. This is a hardcover edition of the classic *The Night Before Christmas*, featuring a four-page gatefold and an embossed and foil-stamped cover. Since it was first published anonymously in 1823, *The Night Before Christmas* has enchanted children with the story of St. Nicholas climbing down the chimney and filling all the stockings before springing back to his sleigh. Many families read the poem every year, and now they have a beautiful hardcover edition to treasure. The cherished poem, faithfully reproduced here, is accompanied by Charles Santore's stunning illustrations. A New Translation From The French By Marion Wiesel Born in Sighet, Transylvania, Elie Wiesel was a teenager when he and his family were taken from their home in 1944 and deported to the Auschwitz concentration camp, and then to Buchenwald. *Night* is the terrifying record of Elie Wiesel's memories of the death of his family, the death of his own innocence, and his despair as a deeply observant Jew confronting the absolute evil of man. This new translation by his wife and most frequent translator, Marion Wiesel, corrects important details and presents the most accurate rendering in English of Elie Wiesel's seminal work. "From the author of the acclaimed and award-winning debut *The Map of Salt and Stars*, a remarkably moving and lyrical novel following three generations of Syrian Americans who are linked by the truths they carry close to their hearts. Five years after a suspicious fire killed his mother, a closeted Syrian American trans boy sheds his birth name and searches for a new one. He has been unable to paint since his mother's ghost has begun to visit him each evening. The only time he feels truly free is when he slips out at night to paint murals on buildings in the once-thriving Manhattan neighborhood known as Little Syria. One night, he finds the tattered journal of a Syrian American artist named Laila Z. She famously and mysteriously disappeared more than sixty years before, but her journal contains proof that Laila Z's past is intimately tied to his mother's—and his grandmother's—in ways he never could have expected. Even more surprising, Laila Z's story reveals the histories of queer and transgender people within his community that he never knew. Following his mother's ghost, he uncovers the silences kept in the name of survival by his own community, his own family, and within himself, and discovers the family that was there all along. *The Thirty Names of Night* is an imaginative and intimate exploration of how we all search for and ultimately embrace who we are"—. A 2019 NEWBERY HONOR BOOK "A gripping, nuanced story of the human cost of conflict appropriate for both children and adults." -Kirkus, starred review In the vein of *Inside Out* and *Back Again* and *The War That Saved My Life* comes a poignant, personal, and hopeful tale of India's partition, and of one girl's journey to find a new home in a divided country It's 1947, and India, newly independent of British rule, has been separated into two countries: Pakistan and India. The divide has created much tension between Hindus and Muslims, and hundreds of thousands are killed crossing borders. Half-Muslim, half-Hindu twelve-year-old Nisha doesn't know where she belongs, or what her country is anymore. When Papa decides it's too dangerous to stay in what is now Pakistan, Nisha and her family become refugees and embark first by train but later on foot to reach her new home. The journey is long, difficult, and dangerous, and after losing her mother as a baby, Nisha can't imagine losing her homeland, too. But even if her country has been ripped apart, Nisha still believes in the possibility of putting herself back together. Told through Nisha's letters to her mother, *The Night Diary* is a heartfelt story of one girl's search for home, for her own identity...and for a hopeful future. A deeply panoramic tour of the night, from its brightest spots to the darkest skies we have left. A starry night is one of nature's most magical wonders. Yet in our artificially lit world, three-quarters of Americans' eyes never switch to night vision and most of us no longer experience true darkness. In *The End of Night*, Paul Bogard restores our awareness of the spectacularly primal, wildly dark night sky and how it has influenced the human experience across everything from science to art. From Las Vegas' Luxor Beam -- the brightest single spot on this planet -- to nights so starlit the sky looks like snow, Bogard blends personal narrative, natural history, science, and history to shed light on the importance of darkness -- what we've lost, what we still have, and what we might regain -- and the simple ways we can reduce the brightness of our nights tonight. Named a Most Anticipated Book of 2022 by BuzzFeed · Bookbub · BookTrib · and more! Two women, two countries. Nothing in common but a call to fight. A heart-stopping new novel based on the extraordinary true stories of an American socialite and a British secret agent whose stunning acts of courage collide in the darkest hours of World War II. 1940. In a world newly burning with war, and in spite of her American family's wishes, Virginia d'Albert-Lake decides to stay in occupied France with her French husband. She's sure that if they keep their heads down, they'll survive. But is surviving enough? Nineteen-year-old Violette Szabo has seen the Nazis' evil up close and is desperate to fight them. But when she meets the man who'll change her life only for tragedy to strike, Violette's adrift. Until she enters the radar of Britain's secret war organization—the Special Operations Executive—and a new fire is lit in her as she decides just how much she's willing to risk to enlist. As Virginia and Violette navigate resistance, their clandestine deeds come to a staggering halt when they are brought together at Ravensbrück concentration camp. The decisions they make will change their lives, and the world, forever. Part 4 of 4. David Lapham, the acclaimed, Eisner Award-winning creator of *Stray Bullets*, brings his unique brand of graphic storytelling to the 30 Days of Night universe. This collection of Lapham's four-issue series will send chills up your spine, leave seeping bite marks on your neck, and leave you thankful to see another sunrise. #1 New York Times bestselling author Dean Koontz gives a new meaning to "blood brothers" in this chilling novel of friendship gone awry... No one could understand why Colin and Roy were best friends. Colin was so shy; Roy was so popular. Colin was nervous around girls; Roy was a ladies' man. Colin was fascinated by Roy—and Roy was fascinated by death. Then one day Roy asked his timid friend: "You ever killed anything?" And from that moment on, the two were bound together in a game too terrifying to imagine...and too irresistible to stop. A groundbreaking history of the human mind told through our experience of dreams—from the earliest accounts to current scientific findings—and their essential role in the formation of who we are and the world we have made. What is a dream? Why do we dream? How do our bodies and minds use them? These questions are the starting point for this unprecedented study of the role and significance of this phenomenon. An investigation on a grand scale, it encompasses literature, anthropology, religion, and science, articulating the essential place dreams occupy in human culture and how they functioned as the catalyst that compelled us to transform our earthly habitat into a human world. From the earliest cave paintings—where Sidarta Ribeiro locates a key to humankind's first dreams and how they contributed to our capacity to perceive past and future and our ability to conceive of the existence of souls and spirits—to today's cutting-edge scientific research, Ribeiro arrives at revolutionary conclusions about the role of dreams in human existence and evolution. He explores the advances that contemporary neuroscience, biochemistry, and psychology have made into the connections between sleep, dreams, and learning. He explains what dreams have taught us about the neural basis of memory and the transformation of memory in recall. And he makes clear that the earliest insight into

dreams as oracular has been elucidated by contemporary research. Accessible, authoritative, and fascinating, *The Oracle of Night* gives us a wholly new way to understand this most basic of human experiences. See the full beauty of our night sky revealed as never before in over 200 photographs from around the world. Bringing together the images of over 40 photographers across 25 countries, be astounded by the lights of the night sky in some of the darkest places on earth; discover the beauty of galaxies, planets, and stars; view great celestial events; and see some of the world's most important landmarks against the backdrop of an incredible nightscape. Babak Tafreshi, founder of the international organization *The World at Night*, has curated the images in this collection—many of them previously unseen—to reveal the true splendor of the sky at night. A specialist guide to night-sky photography will help you capture your own gorgeous images of the heavens. Commentary on the science, astronomy, and photography accompany stunning images organized by theme: Symbols of all nations and religions embraced by one sky of endless beauties UNESCO World Heritage Sites at night The Universe revealed through constellations, sky motions, atmospheric phenomenon, Aurora, and other wonders Images highlighting the beauty of dark skies away from light-polluted urban areas Celestial events, from great comets to spectacular eclipses Astro-tourism destinations, like ancient astronomical monuments and modern observatories The #1 New York Times bestselling sequel to *A Discovery of Witches*, book two of the *All Souls Series*. Look for the hit TV series “*A Discovery of Witches*,” streaming on AMC Plus, Sundance Now and Shudder. Season 2 premieres January 9, 2021! Picking up from *A Discovery of Witches*' cliffhanger ending, *Shadow of Night* takes reluctant witch Diana Bishop and vampire geneticist Matthew Clairmont on a trip through time to Elizabethan London, where they are plunged into a world of spies, magic, and a coterie of Matthew's old friends, the School of Night. As the search for Ashmole 782--the lost and enchanted manuscript whose mystery first pulled Diana and Matthew into one another's orbit--deepens and Diana seeks out a witch to tutor her in magic, the net of Matthew's past tightens around them. Together they find they must embark on a very different - and vastly more dangerous - journey. "A captivating and romantic ripping yarn,"\*\* *Shadow of Night* confirms Deborah Harkness as a master storyteller, able to cast an "addictive tale of magic, mayhem and two lovers."\*\* “After killing the red-haired man, I took myself off to Quinn’s for an oyster supper.” So begins an extraordinary story of betrayal and treachery, of delusion and deceit narrated by Edward Glyver. Glyver may be a bibliophile, but he is no bookworm. Employed “in a private capacity” by one of Victorian London’s top lawyers, he knows his Macrobius from his *First Folio*, but he has the street-smarts and ruthlessness of a Philip Marlowe. And just as it is with many a contemporary detective, one can’t always be sure whether Glyver is acting on the side of right or wrong. As the novel begins, Glyver silently stabs a stranger from behind, killing him apparently at random. But though he has committed a callous and brutal crime, Glyver soon reveals himself to be a sympathetic and seductively charming narrator. In fact, Edward Glyver keeps the reader spellbound for 600 riveting pages full of betrayal, twists, lies, and obsession. Glyver has an unforgettable story to tell. Raised in straitened circumstances by his novelist mother, he attended Eton thanks to the munificence of a mysterious benefactor. After his mother’s death, Glyver is not sure what path to take in life. Should he explore the new art of photography, take a job at the British Museum, continue his travels in Europe with his friend Le Grice? But then, going through his mother’s papers, he discovers something that seems unbelievable: the woman who raised him was not his mother at all. He is actually the son of Lord Tansor, one of the richest and most powerful men in England. Naturally, Glyver sets out to prove his case. But he lacks evidence, and while trying to find it under the alias “Edward Glapthorn,” he discovers that one person stands between him and his birthright: his old schoolmate and rival Phoebus Rainsford Daunt, a popular poet (and secret criminal) whom Lord Tansor has taken a decidedly paternal interest in after the death of his only son. Glyver’s mission to regain his patrimony takes him from the heights of society to its lowest depths, from brothels and opium dens to Cambridge colleges and the idylls of Evenwood, the Tansor family’s ancestral home. Glyver is tough and resourceful, but Daunt always seems to be a step ahead, at least until Glyver meets the beguilingly beautiful Emily Carteret, daughter of Lord Tansor’s secretary. But nothing is as it seems in this accomplished, suspenseful novel. Glyver’s employer Tredgold warns him to trust no one: Is his enigmatic neighbour Fordyce Jukes spying on him? Is the brutal murderer Josiah Pluckthorn on his trail? And is Glyver himself, driven half-mad by the desire for revenge, telling us the whole truth in his candid, but very artful, “confession”? A global phenomenon, *The Meaning of Night* is an addictive, darkly funny, and completely captivating novel. Meticulously researched and utterly gripping, it draws its readers relentlessly forward until its compelling narrator’s final revelations. This masterfully crafted horror classic, featuring a brand-new introduction by Dan Simmons, will bring you to the edge of your seat, hair standing on end and blood freezing in your veins It's the summer of 1960 and in the small town of Elm Haven, Illinois, five twelve-year-old boys are forging the powerful bonds that a lifetime of change will not break. From sunset bike rides to shaded hiding places in the woods, the boys' days are marked by all of the secrets and silences of an idyllic middle-childhood. But amid the sundrenched cornfields their loyalty will be pitilessly tested. When a long-silent bell peals in the middle of the night, the townsfolk know it marks the end of their carefree days. From the depths of the Old Central School, a hulking fortress tinged with the mahogany scent of coffins, an invisible evil is rising. Strange and horrifying events begin to overtake everyday life, spreading terror through the once idyllic town. Determined to exorcize this ancient plague, Mike, Duane, Dale, Harlen, and Kevin must wage a war of blood—against an arcane abomination who owns the night... Rhiow seems a perfectly ordinary New York City cat. Or so her humans think--but she is much more than she appears. With her partners Saash and Urruah, she collaborates with human wizards, protecting the earth from dark forces and helping to maintain the network of magical gateways between different realities. Enter the dark, magical world of the *House of Night* series by bestselling authors P.C. Cast and Kristin Cast, a world very much like our own, except here vampyres have always existed. One minute, sixteen-year-old Zoey Redbird is a normal teenager dealing with everyday high school stress: her cute boyfriend Heath, the school's star quarterback who suddenly seems more interested in partying than playing ball; her nosy frenemy Kayla, who's way too concerned with how things are going with Heath; her uber-tough geometry test tomorrow. The next, she's Marked as a fledgling vampyre, forcing her to leave her ordinary life behind and join the *House of Night*, a boarding school where she will train to become an adult vampyre. That is, if she makes it through the Change—and not all of those who are Marked do. It sucks to begin a new life, especially away from her friends, and on top of that, Zoey is no average fledgling. She has been chosen as special by the vampyre Goddess, Nyx. Zoey discovers she has amazing powers, but along with her powers come bloodlust and an unfortunate ability to Imprint with Heath, who just doesn't know how to take "no" for an answer. To add to her stress, she is not the only fledgling at the *House of Night* with special powers: when she discovers that the leader of the Dark Daughters, the school's most elite group, is misusing her Goddess-given gifts, Zoey must look deep within herself for the courage to embrace her destiny—with a little help from her new vampyre friends. A woman trying to outrun her past is drawn to a coastal village in Maine—and to a string of unsolved murders—in this novel of romance and psychological suspense from New York Times bestselling author Tess Gerritsen. “Suspenseful, sexy, and soulful.”—J. R. Ward, bestselling author of the *Black Dagger Brotherhood* series After an unspeakable tragedy in Boston, Ava Collette flees to a remote village in Maine, where she rents an old house named Brodie’s Watch. In that isolated seaside mansion, Ava finally feels at peace . . . until she glimpses the long-dead sea captain who still resides there. Rumor has it that Captain Jeremiah Brodie has haunted the house for more than a century. One night, Ava confronts the apparition, who feels all too real, and who welcomes her into his world—and into his arms. Even as Ava questions her own sanity, she eagerly looks forward to the captain’s ghostly visits. But she soon learns that the house she loves comes with a terrible secret, a secret that those in the village don’t want to reveal: Every woman who has ever lived in Brodie’s Watch has also died there. Is the ghost of Captain Brodie responsible, or is a flesh-and-blood killer at work? A killer who is even now circling closer to Ava? Praise for *The Shape of Night* “Gerritsen is at her atmospheric best in this spine-tingling tale of a lone woman, an old house, and all the secrets everyone tries to hide.”—Lisa Gardner, #1 New York Times bestselling author “With a twisty mix of dangerous passion, obsession, and suspense, Tess Gerritsen reinvents the Gothic novel, giving it a razor-sharp, modern edge.”—Jayne Ann Krentz, New York Times bestselling author of *Untouchable* “Curl up in your favorite reading chair and let Tess Gerritsen whisk you away to a coastal town reminiscent of Daphne du Maurier’s best settings. You are in for a dark and sexy night, and you will be up very late with Tess’s twisted, haunting tale.”—Iris Johansen, #1 New York Times bestselling author Centuries ago, Raphael was a blasphemous knight who fought in the Crusades purely for his own mercenary benefit, and to satisfy his taste for killing. Now, condemned for

his evil passions and hypocrisy, he wanders the earth a vampire, cursed with first-hand knowledge of the supernatural world he once denied existed. The powerful relic he still possesses from his days as a Crusader has been stolen by a rival vampire who has recruited an army of soulless underlings to aid him in spreading evil. At the time he learns this, Raphael has been hunting this vampire for nearly a century, and it seems the final battle is destined to take place in Prague. For help in this quest, Raphael must enlist the aid of two humans, David and Susan, who suddenly find themselves immersed in a world they never imagined, entangled with supernatural forces they can't control. Susan, in particular, finds herself conflicted as she struggles with her inexplicable attraction to Raphael. In the end, both Susan and Raphael will be called upon to exercise courage and faith, and in the process, the question What would happen if a vampire truly accepted God? is answered. Fixed on her ambitions, law student Cara is convinced she's better off avoiding romantic pursuits, but after a one-night stand with a certain blunt solicitor by the name William, her convictions are put on trial. WINNER • 2022 PULITZER PRIZE IN HISTORY Finalist • National Book Award for Nonfiction Best Books of the Year • TIME, Smithsonian, Boston Globe, Kirkus Reviews The Pulitzer Prize-winning history that transforms a single event in 1722 into an unparalleled portrait of early America. In the winter of 1722, on the eve of a major conference between the Five Nations of the Haudenosaunee (also known as the Iroquois) and Anglo-American colonists, a pair of colonial fur traders brutally assaulted a Seneca hunter near Conestoga, Pennsylvania. Though virtually forgotten today, the crime ignited a contest between Native American forms of justice—rooted in community, forgiveness, and reparations—and the colonial ideology of harsh reprisal that called for the accused killers to be executed if found guilty. In *Covered with Night*, historian Nicole Eustace reconstructs the attack and its aftermath, introducing a group of unforgettable individuals—from the slain man's resilient widow to an Indigenous diplomat known as "Captain Civility" to the scheming governor of Pennsylvania—as she narrates a remarkable series of criminal investigations and cross-cultural negotiations. Taking its title from a Haudenosaunee metaphor for mourning, *Covered with Night* ultimately urges us to consider Indigenous approaches to grief and condolence, rupture and repair, as we seek new avenues of justice in our own era. From the author of the National Book Award finalist *Black Leopard, Red Wolf* and the WINNER of the 2015 Man Booker Prize for *A Brief History of Seven Killings* "An undeniable success." — The New York Times Book Review A true triumph of voice and storytelling, *The Book of Night Women* rings with both profound authenticity and a distinctly contemporary energy. It is the story of Lilith, born into slavery on a Jamaican sugar plantation at the end of the eighteenth century. Even at her birth, the slave women around her recognize a dark power that they- and she-will come to both revere and fear. The *Night Women*, as they call themselves, have long been plotting a slave revolt, and as Lilith comes of age they see her as the key to their plans. But when she begins to understand her own feelings, desires, and identity, Lilith starts to push at the edges of what is imaginable for the life of a slave woman, and risks becoming the conspiracy's weak link. But the real revelation of the book-the secret to the stirring imagery and insistent prose-is Marlon James himself, a young writer at once breathtakingly daring and wholly in command of his craft. An ancient mystery, a lost letter, and a timeless love unleash a long-buried web of intrigue that spans four centuries In the late sixteenth century, five brilliant scholars gather under the cloak of darkness to discuss God, politics, astronomy, and the black arts. Known as the School of Night, they meet in secret to avoid the wrath of Queen Elizabeth. But one of the men, Thomas Harriot, has secrets of his own, secrets he shares with one person only: the servant woman he loves. In modern-day Washington, D.C., disgraced Elizabethan scholar Henry Cavendish has been hired by the ruthless antiquities collector Bernard Styles to find a missing letter. The letter dates from the 1600s and was stolen by Henry's close friend, Alonzo Wax. Now Wax is dead and Styles wants the letter back. But the letter is an object of interest to others, too. It may be the clue to a hidden treasure; it may contain the long-sought formula for alchemy; it most certainly will prove the existence of the group of men whom Shakespeare dubbed the School of Night but about whom little is known. Joining Henry in his search for the letter is Clarissa Dale, a mysterious woman who suffers from visions that only Henry can understand. In short order, Henry finds himself stumbling through a secretive world of ancient perils, caught up in a deadly plot, and ensnared in the tragic legacy of a forgotten genius. 'A fantastic read. Mind bending, gut wrenchingly tense and one of the most original stories I've read in years. It was an absolute treat' - John Marrs, author of *The Vacation* A New York Times Best Thriller Pick for 2022 Bestselling author Adam Hamdy returns with *The Other Side of Night*, an utterly unforgettable tale of love, loss and redemption. When disgraced former police officer Harriet Kealty discovers a plea for help in the margins of a second-hand book, she sets out to unravel a mystery that quickly leads her to confront some uncomfortable ties to her own life, including her ex-lover Ben. Following the deaths of his close friends, Ben became an adoptive father to their orphaned son Elliot. But Harriet suspects that Ben knows more about these deaths than he's willing to say... What starts as a simple investigation becomes something entirely different in this moving story that will open hearts and minds as it answers the question: what would you do for one more moment with someone that you love? What authors are saying: 'A big-hearted, big-brain, novel that you'll finish in three days and think about for the rest of the year. Wonderful.' - Stuart Turton, author of *The Seven Deaths of Evelyn Hardcastle* 'The pages almost turn themselves and when I was finished I couldn't stop thinking about the story's incredible twists, turns, and surprises' - James Patterson, author of the *Alex Cross* and *Private* series 'Remarkable' - Anthony Horowitz, author of *The Twist of a Knife* 'A strange, compelling, and ultimately moving head-spinner of a novel' - John Connolly, author of *The Furies* 'Absolutely brilliant. I was blown away' - Manda Scott, author of the *Boudica* series 'Mind-bending! This intriguing and thought-provoking thriller is a profound exploration of how far some are willing to go in the name of love. A fantastic twist you'll never see coming' - Liv Constantine, author of *The First Shot* 'A brilliant meta-thriller with huge ideas and even greater heart' - Steve Cavanagh, author of *The Accomplice* 'An utterly satisfying read' - Ryan Gattis Part 1 of 3. 1941. Hitler's Operation: Silver Fox has failed, but the war on the Eastern Front drags on as the Russian winter starts to bite. British military attache Corporal Charlie Keating observes the war from the Soviet side, making sure crucial supplies get through to aid Stalin's front in the battle against the Nazis. With luck, he too will survive to see the end of the war. But something else is out there, and they're not the Nazis. No matter how hard humanity tries to kill itself, something else does it better. *30 Days of Night/Fell* co-creator and *Wormwood Gentleman Corpse* auteur Ben Templesmith's first solo *30 Days* tale is collected here, presenting a war of a different kind, one that will have repercussions felt all the way to Barrow, Alaska a half-century later. Also featuring additional story pages, character designs, a cover gallery, and an all-new cover from 2007 *Scream* Award nominee Templesmith. Mary Shane comes home from school one day to find her mother beaten to unconsciousness, this leads her on a perilous journey to find her father, the man that has spent her entire life on the run, always nothing more than a shadow. She must play his deadly game, become the very darkness he hides in, if she ever wants to have a chance at the love she found and the normal life she used to take for granted. As Mary Shane makes her way into the deadly world her father lives in, a world where people have seemingly magical powers and always seem to be one step ahead of you, she discovers that maybe his frequent disappearances and constant paranoia were justified. She finds herself forced to make dangerous decisions and do things she never in her worst nightmare had to face. With the government chasing her every footstep, she must find her father before they do if she ever hopes to survive this wild ride and earn the right to live. She discovers that everything she's ever experienced is because of her father and as she begins to put the pieces together she wonders if there is more to this story than anyone else knows. Command Assassin Nykyrian Quiakides tries to protect Kiara Zamir, whose father's political alliances have made her a target, while he is hunted by the League, a group of expert assassins who are the backbone of the government. Marcel, the protagonist of the novel, lived all his youth at his uncle Robert's home and was raised in the tense atmosphere of uncle's petit-bourgeois character and Marcel's furtive love to aunt Sabine -Robert's wife. When aunt Sabine died due to her husband's action in a tragic moment Marcel started to feel completely displaced. He could have stopped the murder before: In a cold winters night his uncle once lay in the snow uncounciously. Marcel had saved his life... if he had not, Sabine could still be alive... The Edgar Award-winning author of *Never Trust a Dead Man* puts a terrifying spin on what should be a typical night in a small town. Sixteen-year-old Kerry has got a tough night ahead of her. What begins as a simple lost-and-found trip to the laundromat to rescue her little brother's stuffed koala bear turns into a nightmarish odyssey of murder, vampires, and—quite possibly—true love. "Interview with a Vampire for the learner's permit set." —The Horn Book "A freshly written thriller, an offbeat love story, an engaging twist on the vampire novel, and an exciting tale of moral complexity . . . Point [this] book at the Lois Duncan fans as well as Anne Rice followers, and get out of the way." —The Bulletin "[Vande

Velde] is a master at taking traditional fairy-tale-like themes and making them fresh and totally unique. Companions of the Night . . . does that for the vampire story . . . . The narrative is tightly wound, keeping readers ready for excitement and action.” —Emma Carbone, New York Public Library

Bold and inventive in style, *City of Night* is the groundbreaking 1960s novel about male prostitution. Rechy is unflinching in his portrayal of one hustling 'youngman' and his search for self-knowledge among the other denizens of his neon-lit world. As the narrator moves from Texas to Times Square and then on to the French Quarter of New Orleans, Rechy delivers a portrait of the edges of America that has lost none of its power. On his travels, the nameless narrator meets a collection of unforgettable characters, from vice cops to guilt-ridden married men eaten up by desire, to Lance O'Hara, once Hollywood's biggest star. Rechy describes this world with candour and understanding in a prose that is highly personal and vividly descriptive. "...The beginning of a great saga..." —NPR.org "This compelling Nigerian-influenced fantasy has a wonderfully unique premise and lush, brilliant worldbuilding that will consume you until the last page."—Buzzfeed "...Unforgettable in its darkness, inequality, and magic." —VOYA, Starred Review "...A paean to an emerging black legend."—Kirkus Reviews, Starred Review

*Black Panther meets Nnedi Okorafor's Akata Witch in Beasts Made of Night*, the first book in an epic fantasy duology. In the walled city of Kos, corrupt mages can magically call forth sin from a sinner in the form of sin-beasts—lethal creatures spawned from feelings of guilt. Taj is the most talented of the aki, young sin-eaters indentured by the mages to slay the sin-beasts. But Taj's livelihood comes at a terrible cost. When he kills a sin-beast, a tattoo of the beast appears on his skin while the guilt of committing the sin appears on his mind. Most aki are driven mad by the process, but Taj is cocky and desperate to provide for his family. When Taj is called to eat a sin of a member of the royal family, he's suddenly thrust into the center of a dark conspiracy to destroy Kos. Now Taj must fight to save the princess that he loves—and his own life. Debut author Tochi Onyebuchi delivers an unforgettable series opener that powerfully explores the true meaning of justice and guilt. Packed with dark magic and thrilling action, *Beasts Made of Night* is a gritty Nigerian-influenced fantasy perfect for fans of Paolo Bacigalupi and Nnedi Okorafor. iBooks Most Anticipated YA Books of the Fall io9's All the Science Fiction and Fantasy Books to Keep On Your Radar This Fall BuzzFeed's 22 YA Novels You'll Want To Read From Cover To Cover This Fall A 2017 BookExpo Buzz Book A Junior Library Guild Selection Patrick Carr Launches a New Suspense-filled Fantasy Epic

When one man is brutally murdered and the priest he works for mortally wounded on the streets of Bunard, Willet Dura is called to investigate. Yet the clues to the crime lead to contradictions and questions without answers. As Willet begins to question the dying priest, the man pulls Willet close and screams in a foreign tongue. Then he dies without another word. Willet returns to the city, no closer to answers than before, but his senses are skewed. People he touches appear to have a subtle shift, a twist seen at the edge of his vision, and it's as though he can see their deepest thoughts. In a world divided between haves and have-nots, gifted and common, Willet soon learns he's been passed the rarest gift of all: a gift that's not supposed to exist. Now Willet must pursue the murderer still on the loose in Bunard even as he's pulled into a much more dangerous and epic conflict that threatens not only his city, but his entire world--a conflict that will force him to come to terms with his own tortured past if he wants to survive.
